

Give a Child a Head Start

*La Escuelita Bilingüe is
our bilingual preschool
here at Holy Comforter.*

The school serves three- and four-year-old, low-income Hispanic children with the goal of preparing them for success in kindergarten and beyond. The bilingual format allows the students to begin the process of learning English while absorbing basic educational concepts. Parents also have the opportunity to take free English classes and receive advice and help with the education of their children.

Due to overwhelming demand, the school is expanding in the fall from one class to two. Tuition is \$45 a month, which is paid by the families. However, the school covers this cost as needed when families cannot afford it due to medical emergencies, layoffs, etc.

Due to the economic downturn, several sources of funding for the school have shrunk just when they are needed most. To combat this, the school is asking people to contribute what you can to replenish the scholarship fund and to help provide educational materials for the new classroom.

No donation is too small, and every gift is truly appreciated.
