

# All In For 2010

2010 is a critical year for Holy Comforter  
*Why is 2010 so critical?*

Pledged in:

2006: \$673,058

2007: \$729,405

2008: \$761,743

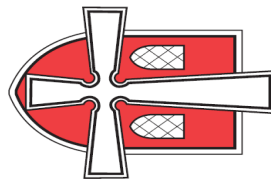

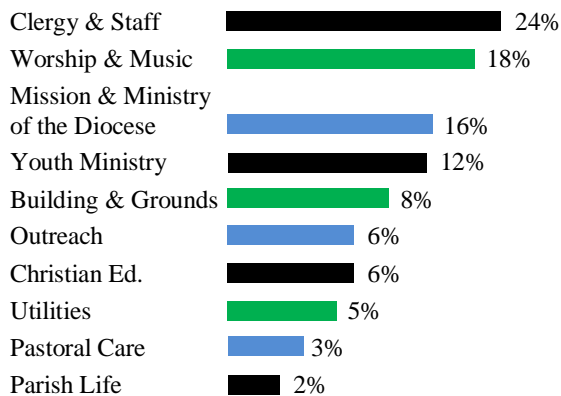

**2009: \$652,656**

## Challenges to our 2010 Budget:

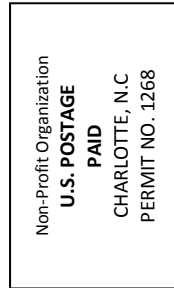

- New full-time Rector + Assistant salaries.
- A new building that will offer expanding programs and outreach in an economically challenging environment.
- HCEC members have generously supported a recent Capital Campaign, **but 2010 operations of that building and its programs will depend on the Annual Giving Campaign.**
